### **INDY PARTNERSHIP TO RECEIVE HONORABLE MENTION AT ECONOMIC DEVELOPMENT CONFERENCE**

*Indianapolis, IN-based Organization Recognized for its Magazine*

Acknowledging Indy Partnership for its exceptional magazine, the International Economic Development Council (IEDC) will recognize the Indianapolis, Indiana-based organization with an honorable mention at IEDC's Annual Conference, which is scheduled to take place in Reno, Nevada, October 4-7. Indy Partnership will be noticed for this achievement during an awards ceremony on Tuesday, October 6th.

"Furthering economic development is rarely a simple task in the best of times, and advancing the cause in the midst of a global financial crisis is nothing less than arduous," said Ian Bromley, IEDC chair. "As the consequences of the widespread economic turmoil have taken hold, we have seen our members become even more ardent proponents of economic development, flying in the face of one of the most challenging economic environments we have experienced in our careers. We tip our hats to Indy Partnership for its superior work during these difficult times."

Competing in the category of Magazines by organizations serving areas with populations exceeding 200,000, Indy Partnership made a notable impression with *Indianapolis Region* magazine. The publication is a 52-page annual profile of the Indianapolis Region located in Central Indiana. It also includes 10 original feature articles on such topics as business climate, quality of life, clean-tech energy, motorsports and life sciences, to name a few. The magazine includes original journalistic content and it is presented as a standalone publication that offers content of interest and purpose to a broad range of economic development and general business readers.

The International Economic Development Council (IEDC) is headquartered in Washington, DC. Its mission is to provide leadership and excellence in economic development for communities, members and partners. IEDC's professional economic development awards annually recognize excellence in the economic development profession.
